

REMARKS

Claims 1-29 are canceled without prejudice or disclaimer. Claims 30-75 are added. Claims 30-75 are supported by the specification as originally filed at page 13, page 15-16 and page 26-27. There is no new matter added, and entry of the amendment is respectfully requested.

This application contains a Sequence Listing. The computer-readable form in this application is identical with that filed in Application Serial No. 08/600,656, filed on February 13, 1996. In accordance with 37 CFR 1.821(e), please use the last filed computer readable form filed in that application as the computer readable form for the instant application. It is understood that the Patent and Trademark Office will make the necessary change in application number and filing date for the computer readable form that will be used for the instant application. The content of the attached paper entitled "SEQUENCE LISTING" and of the computer readable form filed in the parent application is the same. No new matter is added.

The Examiner is hereby invited to contact the undersigned by telephone if there are any questions concerning this amendment or application.

Respectfully submitted,

Date: February 12, 2004
